

1st International Conference on Land Degradation and Restoration

Valencia, July 20th – 26th, 2026

**LAND DEGRADATION
AND RESTORATION**
CONFERENCE SERIES

**CALL
for
Abstracts**

**Deadline:
31 May 2026**

**Bridging science,
policy and practice to
halt land degradation
and accelerate large-
scale ecosystem
restoration for a
resilient future.**

**Choose from
56 Sessions to
submit your work:**

Jesús Barrena – jesus.barrena@uva.es

MISSION

- Bring together science, policy, and practice to prevent, halt, and reverse land degradation.
- Foster interdisciplinary dialogue, knowledge exchange, and innovation to advance resilient landscapes, climate action, biodiversity recovery, and sustainable food systems.
- Catalyse scalable restoration solutions and strengthen global stewardship of land for current and future generations.
